

WHAT TO BRING: ROOTED BEACH TRIP EDITION

1. BIBLE AND PEN/HIGHLIGHTERS!!

This trip's purpose is to get closer to each other and most importantly JESUS! Therefore, you will need YOUR Bible and things to study it with!

2. CLOTHES!!

Make sure to bring clothes fit for the warm weather that comes with the beach! With that being said, make sure that those clothes are modest and do not reveal too much skin. Both guys and girls will be required to wear a shirt (or non revealing one piece for females for swimming) at all times—NO EXCEPTIONS!!

3. FOOTWEAR!!

We recommend you bring shoes that can get wet and sandy! Along with this, we recommend bringing a set of shoes that you can be active in – such as tennis shoes!

4. TOILETRIES!!

Make sure to bring whatever you need to make sure you do not SMELL during this trip. That means shampoo, soap, a towel, deodorant –PLEASE BRING DEODORANT (NOT Axe body spray) – and whatever else you usually use to stay clean!

5. MEDICATIONS!!

If you take any prescription medications, you will need to bring them with you on the trip! The medications will be managed by Pastor Ethan, so your prescription medications will need to be given to Pastor Ethan before departure!

6. SPENDING MONEY!!

We will have different opportunities to purchase souvenirs, snacks, and more food! So make sure you bring some extra cash for those things!

Please contact Pastor Ethan if you have any concerns or questions!!
